S25

Fluency in the traffic... Fluency in the airport, everything is fine. You ring Sam who is at Hall number 2. He looks like self-confident as usual.

"Hi, how are you? "

- Fine, Sam.

Sam gives you all the documents and the roadmap, mission and passport.

Therefore, you know your first destination is South Africa, Johannesburg.

You have to buy a ticket. The ticket costs 900 Kobans!
